2026-10-21	4d07e41aa9	BACKEND VALIDATION

priyank0408

No matching commits were recorded for this contributor during the reporting period. This does not establish whether work was completed outside Git commits.

3. Unmatched Git Author Identities

The following commits were found in the reporting period, but their author identities did not match the configured four-person roster. Review these identities and update the alias mapping if appropriate.

Author	Email	Commit	Message
github-actions[bot]	github-actions[bot]@users.noreply.github.com	1e19765c28	docs: archive Form-3 weekly progress report [skip ci]

Reporting note: This report summarizes Git commits discoverable in the repository for the specified period. It does not verify work that was not committed or pushed, and commit counts alone do not measure the quality or total amount of work performed.
